## MACRO-CLASSIC

**DEEP GRAIN PERLA**  
NK PEARL FERTILIZER  
Fund and cover

### DEEP GRAIN PERLA

Direct fertilizer suitable for all types of crops especially recommended for rice paddy, cereal, vineyard, chufa and horticultural as background fertilizer and cover to spread according to dose recommended by fertilizer. Its special easily assimilable composition, glutamine and the high humification of its organic substance, together with its low content of slow release nitrogen (N), is far from the properties of the traditional ureas, making DEEP GRAIN PERLA a balanced fertilizer, high assimilability, free from waste and environmentally friendly.

### DECLARED CONTENT

Organic material	80,0% m/m
Total Amino Acids	65,0% m/m
Nitrogen (N) Total	10,0% m/m
Nitrogen (N) Organic	5,0% m/m
Nitrogen (N) Ammonia	5,0% m/m
Potassium Oxide (K <sub>2</sub> O)	5,0% m/m
Sulfuric trioxide (SO <sub>3</sub> )	8,5% m/m
Ácidos Húmicos-Fulvicos	45,0% m/m

### PHYSICOCHEMICAL CHARACTERISTICS

PH: Slightly acidic

Pearly 2-4 mm granules with soft coffee odor

### PROPERTIES

Slow release organic nitrogen.

Increases production and resistance to diseases and pathologies.

Increases root growth.

Reduces nutrient parasites and releases nutrients blocked from the ground

Acts as a water reservoir.

Increases the benefits of microbial flora.

#### RECOMMENDED GENERAL DOSE:

For all crops at a rate of 100-200 Kilos/hectare.

(Machined application preferably directed towards the row where the crop is located).

*It is recommended, however, to follow the doses and applications established by their technicians at the field level, which will vary according to the type of crop, their extractions in fertilizer units and the phenological state of the same. From "Distribución del Levante Bioval, S.L." or through our agents or distributors we can advise you as to the use dose according to your culture.*

#### STORAGE:

Stable product.

Store in the original container, dry and protected from extreme temperatures.

Keep away from food, drink and animal feeding stuffs.

Out of reach of children.

Do not stack pallets to more than 3 heights.

Precautions, risk phrases and safety: see label on packaging.

#### PRESENTATION:
